

Windswept Grant Program

Attachment A

Program Participant: _____

Date: _____

Address: _____

Terms & Conditions

The following terms and conditions apply to the conditional agreement between the program participant and the Maryland Energy Administration (MEA). The term “program participant” refers to the person, persons, or organization that has applied for a grant and has been notified that they are eligible for a grant under the Windswept Grant Program.

Project Qualifications

Grants are available only for qualifying properties located in Maryland. In order to qualify to receive a grant, you must agree to install a wind energy system that meets the requirements set forth in this Attachment. Grants are provided only after installation of the system is complete and approved by MEA.

- To be eligible for a grant the system must be a minimum size based on the following categories:

<u>Category</u>	<u>Minimum System Size</u>
Residential properties	1000 Watts (1.0 kW)
Non-residential properties	1500 Watts (1.5 kW)

- Qualifying system types, meeting the above minimum category requirements, must be listed on either the California Energy Commission’s [List of Eligible Small Wind Turbines](#) or the New York State Research and Development Authority’s (NYSERDA) [List of Qualified Wind Generators](#).

- Projects with preliminary wind assessments of less than 10 mph (4.47 meters per second) at a 30 meter level will not be considered.

- The Grant amount approved based on your calculations on the Application Form is up to \$_____.

- The wind energy system, including balance of system components, must be operating in compliance with all applicable performance and safety standards including: county and local codes, the National Electric Code, Maryland’s Net Metering Law and State interconnection standards.

Procedures

- The project must be completed within 90 days from when the program participant receives notification that they are eligible for a grant.
- The program participant may request an extension, but MEA is not required to allow for an extension.
- It is the program participant’s responsibility to contract for the purchase and proper installation of a qualifying wind energy system. Upon completion of the project, the program participant and installer must fill out the entire Completion Certificate (Attachment B), sign it, enclose required accompanying documentation and return it to MEA. MEA has the right to inspect any project.
- Required supporting documentation is as follows:
 - Copies of issued inspection documents, permit documents, or both, as provided by the local authority having jurisdiction;

- A copy of the product specification sheet;
 - A copy of the final sales invoice, which includes:
 - The actual price paid;
 - An itemized list of:
 - Components
 - Labor; and
 - Permit fees; and
 - The method of payment; and
 - A copy of system warranty agreement
 - A copy of service or maintenance agreement
- Upon MEA's receipt of the Completion Certificate and verification that the project meets the terms and conditions of the offer, the Grant to the program participant will be processed for payment.
- Payments are typically made within 30 days of MEA's acceptance of the completed project.

Additional Information

MEA requests a photo (preferably electronic) of the project.

Please e-mail to: Attention Windswept Grant Program at meainfo@energy.state.md.us.

MEA also requests annual electric generation totals at the end of the first operational year of the project.

Use of Personal Information

In accordance with Section 10-624(c) of the State Government Article of the Annotated Code of Maryland, MEA is required to advise you of the following.

(1) The information being requested by the Completion Certificate is necessary to document the completion of the project and to ensure payment of the grant upon completion of installation of a qualifying wind energy system generator.

(2) Failure to provide all required information terminates MEA's grant offer and any further obligation to you.

(3) Upon completion of installation, some of this information will be provided to other agencies of the State to process the payment of the grant.

(4) Unless otherwise provided by law or court order, portions of the information may be subject to disclosure upon request for inspection under Maryland's Public Information Act as set forth in Sections 10-611 *et seq.* of the State Government Article. To the extent permitted by law, personal information will not be disclosed except for the purpose of processing your grant application.

(5) You may inspect, amend, or correct the information provided. However, after completion of the project and payment of the grant, any correction or amendment, which if disclosed prior to payment would have made the project ineligible for the grant, will be subject to a claim for reimbursement to the State and MEA.
